Cruise and experiences in the Skagen area

After breakfast on Saturday, we start the day together from the hotel and drive toward, among other places, Kandestederne, Råbjerg Mile, Skiveren, and The Buried Church. Along the way, we will stop at each attraction, with time to walk around and enjoy nature up close.

In the middle of the day, we will take a break with our packed lunch at Gaardbogaard before the trip continues to Det Gamle Elværk in Bindslev and on to Tannisby. Of course, we will also visit the well-known Blå Ishus in Tversted, where a delicious ice-cream break awaits.

As we will need to walk to and from the cars in several places, we recommend bringing good shoes and clothing suitable for the season.

Show & Shine – Vote for your favourites

All participants in Smart Meet receive a ballot card, where you can vote for the smart you feel deserves to win in one of the following categories:

- Best-looking cabin
- Best maintained
- Best daily driver
- Best color mix
- Funniest detail

Across all categories, the smart with the most votes will be chosen as “Best in Show.”

All smarts registered for the gathering automatically participate in the competition, and as a participant you may be lucky enough to win one or more categories. It is entirely up to the members when votes are cast during the gathering.

We recommend viewing and voting for the smarts when they are parked at the hotel on Friday or at Gaarbogaard for lunch on Saturday.

The ballot card must be handed in no later than Saturday afternoon when we return to the hotel. The prize giving takes place Saturday evening in connection with dinner.

smart meet T-shirt

For this year’s smart meet, you can order a 2026 smart meet T-shirt. The T-shirt costs EUR 15 per piece, paid together with your smart meet registration.

If you purchase a T-shirt, we hope you would like to wear it on Saturday.

Remember – if you have

- Possibly a camping chair
- Walkie-talkie for the cruise drives. We use channel 7

Language

The official language at smart meet is Danish. All materials, talks etc. will be in Danish. Please do not expect any translations to English, German or other.
